[14.15 – 14.16]   **Opening by chair**

[14.16 – 14.17]   **Check-in**
                         - How is everyone doing?

[14.17 – 14.18]   **Announcements – Informing**
                         - Product pitch, Heuristic Evaluation and repository closure

[14.18 – 14.19]   **Approval of the agenda -** Does anyone have any additions to the
                         agenda?

[14.19 – 14.22]   **Coding – Discussion**
                         - Does somebody have some minor additions to the code of the
                         application before the repository closes? Is everyone satisfied with the
                         code that we have written?

[14.22 – 14.27]   **Heuristic Evaluation - Discussion**
                         - Will we change some mocks of the HE? Did everyone the HE? Do you
                         have some additions or errors that we should correct? When will we
                         transfer HE to the LaTeX?

[14.27 – 14.35]   **Product Pitch**
                         - What parts of the application will we include in the Product Pitch?
                         How will we make it more official?

[14.35 – 14.37]   **Feedback round**
                         - What went well and what do you think of the project that we have
                         done?

[14.37 – 14.39]   **Question round**
                         - Does anyone have anything to add before the meeting closes?
